

Prelude "We Shall Behold Him" by Rambo Barb Johnson

Welcome/Announcements

***Call to Worship** Psalm 48 Jen Messaros

Leader: Great is the Lord!

People: And greatly to be praised.

Leader: We ponder your steadfast love, O God.

People: Your name reaches to the ends of the earth.

Leader: Tell the next generation that this is God.

People: God will be our guide forever. Amen.

***Opening Hymn** "Praise to the Lord, the Almighty" 139 UMH

***Opening Prayer** Jen Messaros

Heavenly Father, we praise your name and give our thanks for sending your son Jesus Christ to earth. Rejected in his hometown, He went among the other villages teaching. Forgive our unbelief. He sent the disciples out to proclaim that Jesus Christ is Lord. He gave them authority to heal. He sent them with their walking staff, one tunic and sandals – no bread, no bag, no money. They were welcomed in the world, where they cast out demons and cured the sick. We praise you Lord in the name of Jesus Christ, Amen.

Thoughts from your Lay Leader

Summer is here, and yet great strides are being made in executing our Accessibility Improvement Project. For example, an order was placed for purchase and installation of a chair lift, which will go in the stairway just inside the Hadley Road side entrance. The vendor came and made measurements, prepared drawings, and they were submitted for approval with the Kettering Planning and Development Department. Kettering requested additional details on mounting design to the concrete foundation. A down payment was made on the chair lift. Your trustee Chair, Jay Messaros, is overseeing this project. Additionally, Jay has identified that the ramp being designed to provide access from the Hadley sidewalk to the side entrance may interfere with the water line coming into the church building, and so the exact location of the water line needs to be determined before the ramp design is finalized.

This Accessibility Improvement Project is very important for OUMC. It enhances our outreach mission, permitting more folks to fully participate and worship with us. As an example for why it is necessary, there was a recent incident that illustrates just how our current church accessibility condition can deter folks. A funeral service was held for Nancy Hendrickson recently, and after the service was over, Nancy's sister, 82 years old, dependent on using a walker, took almost 20 minutes to get from the sanctuary to the Shafor Blvd. sidewalk, with two people helping her. You can appreciate how someone dependent on a walker for mobility would be discouraged from coming to OUMC, knowing the difficulty they would face in entering and leaving our sanctuary.

So please prayerfully consider how you might contribute financially to the completion of our Accessibility Improvement Project. A few of you have already donated funds for this project, and the Pastor and Lead Team are extremely grateful for their generosity. Hopefully, through your generosity, we can see this initial effort completed this year, before winter weather sets in.

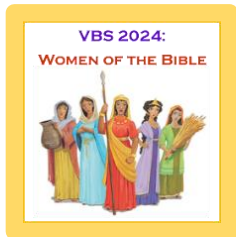

Blessings, Phil Gliebe, Lay Leader
